Statement of Faith

We believe the Bible is the inspired and infallible Word of God. The Bible, in its original autography, is without error in whole and in part, including theological details.

God has existed from all eternity in three persons: God the Father, God the Son, and God the Holy Spirit. Jesus Christ was God come in human flesh being fully God and fully man, except without sin.

The central purpose of the coming of Jesus Christ was to pay the penalty for man's sin through His substitutionary death on the cross—the successful accomplishment of which was attested to by His subsequent visible, bodily resurrection.

Salvation is offered as a gift, free to the sinner. This gift must be responded to in individual faith, not trusting in any personal works whatsoever, but in the sacrificial death of Jesus Christ alone.

God has ordained the family as the foundational institution of human society. It is composed of persons related to one another by marriage, blood, or adoption. Marriage is the uniting of one man and one woman in covenant commitment for a lifetime.

I have read the above Statement of Faith and wholly support and accept its content.
